

Birding and Culture in Germany – 2022

27 May – 5 June 2022
\$2,710 – \$3,290

Experience bird life and regional culture of Southwest Germany, France, and Switzerland on a 10-day tour to stunning landscapes saturated with neolithic, roman, and medieval history.

Join BirdingTours and Dr. Stefan Gleissberg on this exclusive OOS birding tour to meet the spectacular Bee-eater, the unique Hoopoe, and many more species found in lush meadows and woods of the Black Forest, in orchards and vineyards around medieval towns and castles, and in wetlands and shaded backwaters along the Rhine River.
